“MOVING FORWARD”
YOUTH DEVELOPMENT PROGRAM

BMe Community is a growing network of all races and genders committed to building better communities across our city. BMe is built upon Black fathers, coaches, businessmen and students who lead by example to strengthen neighborhoods, mentor young people, and create businesses. Each day they help to change our futures for the better.

Through BMe, you can invest in developing the lives of young people and help to build caring and prosperous communities. We offer various programs and services to accomplish this goal. One such program in particular is our “Moving Forward” Mentoring and Leadership Youth Development program. This program is specifically designed to provide an innovative mentoring service to young people so that they will be able to ‘Move Forward’ towards success in life. Below are a few of the items covered in this program.

We welcome the opportunity to work with you and your staff to help keep your young scholars continually “Moving Forward” in life. If there are any questions or if you need to set up a meeting to talk in more detail about this program or any of the other services we have to offer please feel free to contact us at the information provided below.

Presentations Details:
- Mentoring

(Call us and we can create a presentation to specifically meet your needs.)

Testimonials:

“I was touched by your generosity and inspiration. Afterwards, I had many parents come up to me and say how wonderful it was to have had you here -- that they loved your message. Definitely, let’s keep in touch. Thank you so much for your time, energy, and passion for our children.”
- Christine Bush, Teacher at Henry Houston Elementary

“Never before has a group of young men come to our school and left such as lasting impression BMe had. They were dynamic, energetic and encouraging, providing new and relevant insights. They helped the students overcome various challenges from bullying, to bad grades to developing better attitudes. They’re a must if you want your students to be the best.”
- Debbie Bender, Teacher at Roxborough High School
